Anoka-Metro Regional Treatment Center  
Center 3301 Seventh Ave North  
Anoka, MN 55303

Dear Ms. Fischer:

We are writing to inform you that as a result of the April 25, 2018 recertification survey, Anoka-Metro Regional Treatment Center (AMRTC) in Anoka, Minnesota was found in full compliance with the Medicare Conditions of Participation.

On April 26, 2016, the Centers for Medicare & Medicaid Service (CMS) joined AMRTC and the Minnesota Department of Human Services (MDHS) in agreeing to the implementation of a Systems Improvement Agreement (SIA). The SIA was developed in order to stay AMRTC's pending termination from the Medicare program. Additionally, the SIA was established to provide AMRTC the opportunity to develop and implement systemic corrections to achieve and maintain substantial compliance with all applicable Conditions of Participation.

The terms of the SIA directed that compliance with all applicable Medicare Conditions of Participation would be determined by two unannounced full Medicare certification surveys. The April 25, 2018 visit was the second of these surveys. The survey revealed that your hospital is in full compliance with the Conditions of Participation, and no standard-level deficiencies were identified.

Accordingly, you have met all the requirements of the Systems Improvement Agreement, and we are rescinding our decision to terminate your participation in the Medicare program.

We thank you for your cooperation. If you have any questions regarding this matter, please contact Gregory Hann, at (312) 886-5351.

Sincerely,
