

ST. PAUL FIRE FIGHTERS LOCAL 21  
INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS

FOR IMMEDIATE RELEASE

10/27/2017

Saint Paul Fire Fighters Local 21 are shocked and dismayed by the letter sent to Melvin Carter dated October 24th, 2017 and by the recent mailing sent by "Building A Better Saint Paul". We repudiate them in the strongest terms. These types of tactics have no place in Saint Paul. We extend our most sincere apologies to Mr. Carter and his family for being attacked in this way.

Upon donating funds to "Building A Better Saint Paul", Local 21 made it clear that we wished for a positive campaign given our previous, positive history with all of the major candidates. This situation has served as a powerful and painful lesson.

Irrespective of politics, Local 21 is proud of the diverse communities within our city and will continue working to provide the best possible service to our citizens and customers.

Sincerely,

Saint Paul Fire Fighters Local 21
